Recruitment Pack

Introduction from the Headteacher

Thank you for your interest in this role.

We are very proud of our inclusive and aspirational school, and we have exceedingly high expectations of every single one of our students. We take great pride in enabling them to grow and to flourish. In order for that to happen, our students need to do two simple things - work hard and be kind. Our students and staff thrive in a community where consistency and routines go alongside us knowing each student well and supporting them to reach their potential.

We have the benefit of a magnificent award-winning school building that was recently completed under the 21st Century Schools programme. It is a wonderful modern facility that has education at its heart. Located in the centre of Monmouth, we serve our local community as well as other nearby areas in both Wales and England. We number around 1,700 students and 200 staff, and we are over-subscribed in every year group.

We are absolutely determined to provide an exceptional standard of education for every child that comes to our school, so that they have the opportunity to lead happy and successful lives. Our approach to Curriculum for Wales is founded on the importance of subjects and on the principle of powerful knowledge. Our work on this is the subject of a recent Estyn case study to share our practice more widely. Our pedagogy is founded on the research evidence of learning and on how to maximise student progress.

We are fully comprehensive and provide for a wide range of learning needs. Currently there are 14% of the school population on the Register for Additional Learning Needs. We also have an integrated Specialist Resource Base, which is also the subject of a recent Estyn case study for its exceptionally strong provision. Students come from a wide range of socio-

economic backgrounds and the rolling average for FSM is 13.8%.

We welcome applications from candidates whose personal qualities and values reflect those in the person specification, and whose experiences also place them in a strong position to deliver the job description. A full induction programme and meaningful professional learning is offered to all staff.

You will find us to be a supportive, collaborative group of colleagues, who work to provide an exceptional standard of education for all of the students in our care. We take great pride in what we do, and we continue to be wildly ambitious for what we can achieve together in the future.

I look forward to reading your application, should you wish to apply.

Kind regards

Hugo Hutchison

Faculty Information – Social Science

Social Science Faculty

The successful candidate will join a team of Social Science teachers, who deliver a range of courses across Key Stages 4 and 5. These subjects include Business, Psychology, Criminology, Health and Social Care and Childcare, with a range of Level 2 and Level 3 qualifications. The faculty has a suite of classrooms, with each having a projector and whiteboard. A number of dedicated laptops are also available to support the development of independent study and controlled assessment.

The faculty offers vocational and non-vocational pathways at Key Stages 4 and 5, and is well resourced with up-to-date resources and subscriptions to relevant journals. The study of Business is dynamic, challenging and increasingly relevant during these turbulent economic times. In all courses, the students are encouraged to consider the dynamic nature of businesses and develop a critical understanding of the macroeconomic environment and pressures that surround them.

KEY STAGE 4

WJEC GCSE Business (legacy qualification)

This course encourages students to develop a critical understanding of organisations, their legal structure, human resources, finance and accounting, marketing and operations as well as the wider economic environment in which they operate.

New WJEC GCSE Business Studies (first teaching June 2025)

The new specification is designed to give students the necessary knowledge and understanding of a variety of important employment sectors in the UK. Students have the opportunity to use business information critically, to develop arguments, to make justified decisions and to prepare them for further study and career pathways

KEY STAGE 5

BTEC Level 3 National Extended Certificate in Business

The Level 3 BTEC National Extended Certificate in Business is designed to provide highly specialist work-related skills in the Business sector. Students will gain the knowledge, understanding and skills that they need to prepare for employment within Business. The four core units give students an introduction to and understanding of the business environment, management of resources, marketing and communication – all fundamental to the success of business organisations. The two optional units are chosen to meet the needs of each student cohort.

The assessment approach of the BTEC Nationals in Business allows learners to receive feedback on their progress throughout the course as they provide evidence towards the assessment and grading criteria. Evidence for assessment may be generated through a range of diverse activities including assignment and project work, case studies, workplace assessment, role play and oral presentation.

The Recruitment Process
